

## 1. MENU BOOKINGS FILE SEARCH

### a) 2 novos filtros na pesquisa de reservas: **Agency Country** e **Agency Market**

The screenshot shows the search interface for the Abreu online reservation system. The top navigation bar includes 'Date & Time Display Timezone: GMT', 'Result Order by: Booking Date&Time', 'Get Excel reports: Statistics', 'Bookings', and 'Rooming Lists'. The search form contains various fields for filtering reservations, including 'Travel File', 'Num. voucher', 'Ext. Provider Ref.', 'Travel Agent Book. Ref.', 'Pax Name(or partial)', 'Date', 'Period', 'Arr/Dep Date', 'Type', 'Country Code', 'City Code', 'Hot/Ser/Tour Code', 'Hot/Ser/Tour Ident', 'Channel Managers', 'Agency Code', 'Branch Code', 'Operator Code', 'Supplier Code', 'Entity', 'Invoice To', 'Dynamic Prices', 'Not Administrator', 'External sites', 'Quo', 'Res', 'Mod', 'Can', 'Amend', 'Status', and 'Agency Country'. The 'Agency Country' and 'Agency Market' dropdown menus are highlighted with green boxes, indicating they are the new filters mentioned in the text. The 'Agency Country' dropdown is set to 'ANY' and the 'Agency Market' dropdown is also set to 'ANY'. The 'Search' button is located at the bottom right of the form.

### b) Novo filtro para permitir pesquisar reservas com **eNett**

- selecionando esta "checkbox" aparecem só as reservas de hotéis onde foi feito o pagamento por **VCC/eNett**

The screenshot shows the search interface for the Abreu online reservation system, similar to the previous one. The top navigation bar is the same. The search form contains various fields for filtering reservations, including 'Travel File', 'Num. voucher', 'Ext. Provider Ref.', 'Travel Agent Book. Ref.', 'Pax Name(or partial)', 'Date', 'Period', 'Arr/Dep Date', 'Type', 'Country Code', 'City Code', 'Hot/Ser/Tour Code', 'Hot/Ser/Tour Ident', 'Channel Managers', 'Agency Code', 'Branch Code', 'Operator Code', 'Supplier Code', 'Entity', 'Invoice To', 'Dynamic Prices', 'Not Administrator', 'Enett', 'External sites', 'Quo', 'Res', 'Mod', 'Can', 'Amend', 'Status', and 'Agency Country'. The 'Enett' checkbox is highlighted with a red box, indicating it is the new filter mentioned in the text. The 'Enett' checkbox is checked. The 'Agency Country' and 'Agency Market' dropdown menus are set to 'ANY'. The 'Search' button is located at the bottom right of the form.

## 2. TABELA DE CIDADES

a) Botão que permite fazer a limpeza de todos os filtros na Tabela de Cidades

Agency: Abreu Online Branch: Abreu Online - System Management Administrator: Pedro Couto Help - Administration Manual

Table: cities Refresh order by code asc Clear Filters Delete Modify Insert Back to menu

Table cities description: No description

Put the mouse pointer on the header column names to get an explanation of each column

	code	active	ident	name	StateProvince	country	in_region	ord	currency	vat_applies	language	region
Sel												
<input type="radio"/>	-1	1		ANY		ANY	By Region & cities	0	EUROS	No	English	no region
<input type="radio"/>	1	1	LIS	Lisbon	Zona Centro	Portugal	Only by Cities	2000	EUROS	Not set	English	Lisbon and Tagus Valley
<input type="radio"/>	2	1	MAD	Madrid		Spain	Only by Cities	900	EUROS	Not set	English	Madrid
<input type="radio"/>	3	1	PAR	Paris		France	Only by Cities	1950	EUROS	Not set	English	Ile de France
<input type="radio"/>	4	1	BER	Berlin		Germany	Only by Cities	1900	EUROS	Not set	Deutsch	no region
<input type="radio"/>	5	1	VIE	Vienna		Austria	Only by Cities	1800	EUROS	Not set	English	Wien

b) Nova coluna que permite catalogar as cidades por províncias.

Para esta funcionalidade foi necessário a criação de uma nova tabela, "StateProvince", para definir as províncias por país.

Table cities description: No description

Put the mouse pointer on the header column names to get an explanation of each column

	code	active	ident	name	StateProvince	country	in_region
Sel							
<input type="radio"/>	-1	1		ANY		ANY	By Region & cities
<input type="radio"/>	1	1	LIS	Lisbon	Zona Centro	Portugal	Only by Cities
<input type="radio"/>	2	1	MAD	Madrid		Spain	Only by Cities
<input type="radio"/>	3	1	PAR	Paris		France	
<input type="radio"/>	4	1	BER	Berlin		Germany	
<input type="radio"/>	5	1	VIE	Vienna		Austria	

Put the mouse pointer on the header column names to get an explanation of each column

	code	name	country	ord
Sel			portugal	
<input type="radio"/>	3	Rentacar	Portugal - Rentacar	0
<input type="radio"/>	161	Zona Centro	Portugal	0
<input type="radio"/>	219	Zona do Algarve	Portugal	0
<input type="radio"/>	220	Zona Norte	Portugal	0
<input type="radio"/>	221	Zona do Alentejo	Portugal	0
